Road Blading on the East Side Reservoir Road

HUNGRY HORSE, MT – Road blading operations are scheduled to begin Thursday morning August 27, on Eastside Reservoir Road #38. Work will start near the Spotted Bear Ranger District and progress to the north towards Martin City. Water trucks will begin watering the road at night starting tonight at approximately 9:00 p.m. working throughout the night. The road will be open during all operations but minor delays may be expected.

There is already increased activity on the Eastside Road due to ongoing fire- fighting efforts. This work is to ensure safe driving conditions both in response to the fire fighting and ongoing recreational use activities. Travelers are encouraged to plan ahead and drive with caution.

Contact the Glacier View-Hungry Horse Ranger District 387-3800 or Spotted Bear Ranger District 758-5376 for any additional information.
